Dear [REDACTED]

I refer to your Freedom of Information request received on 20 October 2014 about institutional CBI membership history.

I can confirm that the University does not hold the information requested.

#### The University's Response

Feel free to answer this request outside the confines of the Freedom of Information Act if it would speed up the process - my request is relatively straight forward.

- Is your institution a member of the CBI (Confederation of British Industry)?
- If it is a member then how much do you pay annually in fees?
- If not was it in the past?
- If so when did it leave?
- If so why did it leave?
- If it left and re-joined when did it re-join?

[The University is not, and has not been, a member of the CBI \(and no payments to it are made\).](#)

This concludes the University's response
