ANIMATION DEVELOPMENT BOOKLET

**Create your own animation
concept using this booklet as
a guide.**

ABERTAY DIGITAL GRADUATE SHOW

Are you interested in being
an animator?

Would you like to bring your
stories to life?

Take inspiration from the incredible work of
our students at Abertay Digital Graduate Show
and use this booklet to come up with your own
concept for an amazing new animation!

YOUR ANIMATION

What is your animation called?

What is your animation about?

Who is your lead character(s)? E.g. Wizard, scientist, school pupil, animal, super hero

What does the character(s) do?

Where does your animation take place? E.g. castle, lab, school, alleyway, outer space

What is the storyline?

What kind of atmosphere do you want the animation to have? E.g. fun, scary, serious, intriguing

Sketch the Character(s) in your animation. What do they look like? What are they wearing?

Sketch the environment/background for your animation.
