If you are ever unsure of the deadlines, please go to our [Key Dates and Deadlines](#) webpage.

CAS Shield

CAS Shield is the platform we use to help you prepare for receiving your CAS (Confirmation of Acceptance of Study). You need the CAS for your VISA application. Without it, your visa application will not be complete.

You must complete all aspects of the CAS Shield application, including uploading any required documents or evidence, your bank statement showing that you can afford to study in the UK and the Pre-CAS Questionnaire being filled in by you, the applicant.

If you have the assistance of an agent, please ensure you (the applicant) are fulfilling all of the conditions yourself, and not your agent.

Financial Requirements

Deposit

- The deposit is required before we can issue the CAS.
- The amount of 50% of your total tuition fee.
- Payment to be made via FlyWire

Example:

Tuition Fee = £15,000

Deposit of 50% = £7,500

Bank Statement

- The bank statement is required to show you can afford to pay your remaining fees and live as a student in the UK for the length of your degree.
- The bank statement must show the remaining tuition fee amount plus £9207 (UKVI recommended living cost for 9 months) for 28 consecutive days before submitting

Hints and Tips

There are a few things to bear in mind and to consider throughout this process:

1. Use the Help function (lower left corner of the CAS Shield screen) to ask questions and get help with using the platform.
2. Speak to our Admissions Team directly from CAS Shield (lower right corner of the CAS Shield screen) for any support you need from them.
3. Keep an eye on the upcoming deadlines. We will not be able to extend the deadlines so it is important you complete each task beforehand.
4. The sooner you complete CAS Shield and receive your CAS Letter, the sooner you can submit your visa application.

Hints and Tips

5. If you are still waiting for your final grades or a transcript or certificate being issued, please don't worry. Ensure that you send these to Admissions as soon as you have them – admissions@abertay.ac.uk
6. Ensure any scanned documents are of clear quality and not blurry, this can delay the process if we need to request new versions.
7. If you are having any issues at all, please get in touch at the earliest so that we can help you – the help and chat function on CAS Shield are there for instant help or email the International Team and we can assist too.
